AC128 A/C Line Repair & In-Line Filter Kit

**Leak-Free,
OEM Tested &
Approved!**

The AC128 is a unique, dual-purpose repair kit which allows you to repair a damaged A/C line or install an in-line filter in as little as 5 minutes!

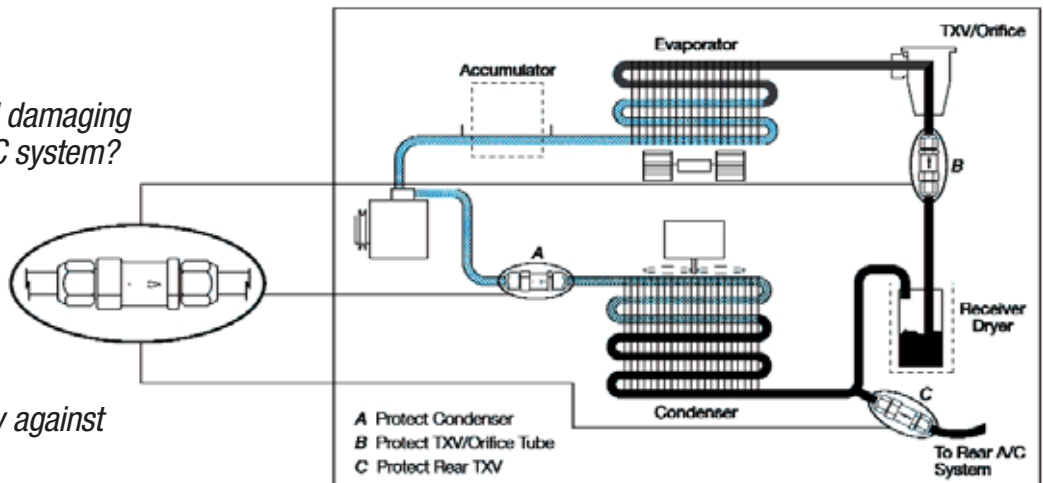

- **Save Time & Money** – Repair damaged A/C lines including pinhole leaks, cracks, and more
- **Easy to Use** – Simply cut out a damaged section (up to 2”) and install AC128
- **Multiple Sizes** – Fits 5/16”, 3/8” and 1/2” lines
- **Capable of Housing Any Size Orifice Tube** – Installation clips included
- **Repair Cars, Trucks & SUV's** – Works on hundreds of domestic and foreign vehicles
- **Reduce Labor** – Avoid difficult work removing and installing lines

Did you know...

Failed compressors send damaging debris throughout the A/C system?

It is OEM-recommended to install an inline filter when replacing a compressor?

The AC128 provides a low-cost insurance policy against further system damage.
