Subject: News from S.U.R. & R.: New E-Z Brake Line Replacement Kits

PRESS RELEASE

RELEASE DATE: IMMEDIATELY

S.U.R. & R. Introduces New E-Z Brake Line Replacement Kits

S.U.R.&R. E-Z Brake Line Replacement Kits (BR-EZ 316 & BR-EZ314) feature E-Z Bend, high-performance alloy brake tubing that will not rust or corrode and can easily be bent by hand making routing simple. Additional features include:

- Smooth flares for better fitting seals
- Metric and standard fittings included
- Conforms to SAE specifications
- Tubing pressure rated up to 3,000 PSI
- Portable carrying case includes all required connectors and fittings

For more information, contact S.U.R.&R. at 330.745.330 or visit www.fuelsender.com.
