LHD454

Lock-N-Hold Flexible Driver Set

**GROUND BREAKING
NEW TECHNOLOGY**

*Perfect for hose clamps,
hex bits, and more!*

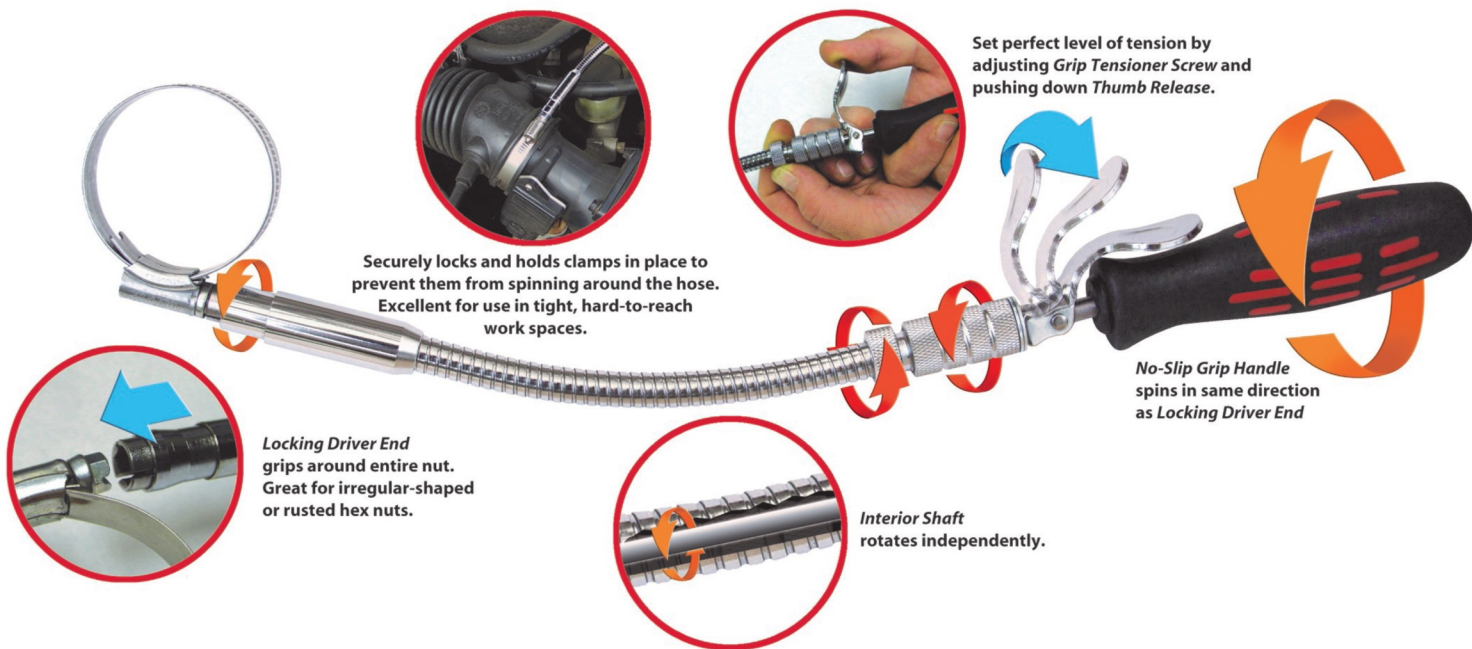

3-piece kit with storage case

- Fits the most common hose clamp sizes including 1/4", 7mm, and 5/16"
- Securely locks and holds clamps in place to prevent them from spinning around the hose
- 14" length excellent for use in hard-to-reach spaces
- Thumb release locking mechanism for single-hand operation
- Two-piece tensioning mechanism for setting preferred tension
